JANUARY 2011

A Message From Your President

Happy New Year to one and all! Here is hoping that 2011 will be as exciting and as much fun as the one just past!

We had a remarkable year and produced some great activities, but this month was exceptional. What a way to go out in style! Four Great events in a little over two weeks!

The **Holiday Dance** was wonderful. The music, the food and the guests came together to make a really memorable evening. Thank you Sharon Schnell for all your efforts.

I was a little concerned about having three events on the same weekend, but not surprised that each event was well attended. I had a hard time choosing, but wound up driving up to **Hearst Castle** in the rain and had a great time. Sorry that I didn't stay a couple of days longer to enjoy the area like several other of our members did. Well, maybe next time.

I felt bad for our skiers had to suffer with two days of skiing in power up in Mammoth. Poor souls! Last report was that the skiing was great and over six feet of snow fell Saturday and Saturday night. I'm glad that everyone got home safely and had a great time.

Finally, sixty of you went to the **Comedy Store and Parade of Lights** on the 18th. I have heard from a number of you that the food was good and the comedians were great. Why again can't you do it all!

Congratulations to the event organizers: Sharon Schnell-Dinner/Dance, Denise Cleveland-Hearst Castle, David Harris-The Comedy Club, and Kathy Glasmeier who organizes our Mammoth trips! Your efforts really do make us an exceptional organization.

If you have any ideas of activities or events that you think would be fun and of interest to our members, please let one of the Board members know.

Well, once again may this New Year be a good one for us all and thanks for you support!
Jim Robertson

• **Guest Policy:** We want to remind members of a policy which we have had in force for years: A visitor can visit the club two times before deciding whether or not to join the club. This includes the bi-monthly meetings and the activities/parties. **Guest fees** (which are often listed on our flyers regarding the entrance to an event) apply to those who are visiting for one of those two times. Thereafter, to attend an event, the yearly dues must be paid, just like all the other members. .

LAST MONTH'S ACTIVITIES

Trip to Guatemala and Belize, by Olga Belyansky

Just after midnight on November 13, 40 members of the Ski Club boarded an airplane and were on their way to Guatemala and Belize. At the airport in Guatemala, we were met by our lovely guide, Olga, who proved to be very knowledgeable, gave us a lot of information, and answered all of our questions. Every day was full of tours and activities. The hike on *Pacaya Volcano* was unforgettable. Some big rocks were still hot after a recent eruption last May, and in tiny caves, a fire still was going on. When we reached the destination and were taking pictures of beautiful views, one of the volcanoes erupted just in front of our eyes! Even though it was a small eruption, it wasn't something that we can watch every day. We visited one of the biggest open air Indian Markets on Sunday. It was a great experience; we had a lot of fun, and nobody left empty handed.

We had a tour of the *Tikal National Park* in Northern Guatemala where we admired some of the most fascinating archaeological remains of the ancient Maya Civilization and climbed to the very top of one of them. It was hard to believe that Mayan people began building those temples around 600 B.C. and most of them are still intact.

We dined in the beautiful restaurant located in the old monastery with romantic settings. As if it wasn't enough that the food and presentation were superb, a live band of three was playing just for us. In Guatemala City, we stayed in a 5 star hotel with beautiful grounds and unbelievable rooms equipped for kings. In Belize, we stayed in a resort area on *San Pedro Island*. We snorkeled in crystal clear water, and were able to see underwater life with all details.

Everybody had fun with *cave tubing*. The site provided an excellent example of the erosive power of water, and the natural wonders of Belize. It took several hundred thousand years to form the caves. The ancient Mayans visited the site to conduct important rituals. Now, we can enjoy a unique opportunity to observe the awesome geological features of the site, and to ponder the nature of prehistoric human civilization.

On our last night, after we all had dinner, most of us went to the night club. Our Ski Club people literally took the floor and danced the night away.

We had a wonderful group of people on the tour... always ready to help each other, and who know how to have fun! A big THANK YOU to Lou Patalano who did everything possible to make this trip so enjoyable.

The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC activity representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC activity packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity.
