The Conejo Ski & Sports Club Newsletter

NOVEMBER 2010

A Message From Your President

It's November already? Are you sure? 'Tis' the season to get out all those warm clothes, dust off and tune the skis and swoosh—head for the slopes! Wow, time sure passes by fast!

By the time you get this newsletter, we will be having our annual Halloween Party. I hope you signed up for it. The band is supposed to be great and so many people worked hard to provide a great time for you. It would be a shame to miss it.

This month, we will celebrate the "Pray for Snow" party and then try to find ways to enjoy Thanksgiving without adding anymore padding to our ski clothes. Good Luck to us all!

By now, I am sure that you are aware that our web site is undergoing a major face-lift. We are trying to make it more attractive and show off who we are and what we do to our visitors. In the mean time, most of what you need to know is there. The monthly calendars are current, our trips are listed, there are current pictures from events and you can find the temperature at Mammoth if you want to navigate that site.

If you have an idea or want to see something specific included in the web page, contact Pam Belinski and let her know your thought. I am sure your ideas will be appreciated.

To those of you headed for Belize in a couple of weeks, have a great trip, take lots of pictures and for goodness sakes behave yourselves. You are representing the Conejo Ski Club!--Hey, it's a Dad thing, O.K, I look forward to hearing your stories and seeing your pictures! Have a fantastic time!

To those who aren't going, we will see you at the meetings! Happy Thanksgiving to you all and Thank you for your continued support!

• **Guest Policy:** We want to remind members of a policy which we have had in force for years: A visitor can visit the club two times before deciding whether or not to join the club. This includes the bi-monthly meetings and the activities/parties. **Guest fees** (which are often listed on our flyers regarding the entrance to an event) apply to those who are visiting for one of those two times. Thereafter, to attend an event, the yearly dues must be paid, just like all the other members. .

“THE WORLD OF THE MAYA & THE GREAT BARRIER REEF OF BELIZE”
Antigua – Lake Atitlan – Guatemala City– Tikal – Ambergris Caye – San Pedro Island
Nov. 13 – 21, 2010 - Trip Price: \$1,499 each (Double Occupancy)

LEADER: Lou Patalano, Phone: 818-292-4334 or email: Louis.Patalano@ngc.com

Guatemala:

With its wild volcanic and jungle landscapes, atmospheric colonial towns, staggering Mayan sites, and famous Indian markets, Guatemala offers a vibrant overview of the diversity of Central America. The Mayan culture is nowhere more alive and colorful than in Guatemala. You will find fantastic antique temples towering over vast jungles teeming with monkeys and birds. You'll see the modern day Mayans carry on the traditions of their ancestors gathering in great open-air markets. The Spanish left behind colonial cities of indescribable beauty and atmosphere such as colonial Antigua, declared as a World Cultural Heritage site, where we will start our adventure on a guided walking tour of charming Antigua. We will explore the hub of the Mayan highlands, the village of Chichicastenango, the site of the most festive market in the land, a great gathering of thousands of Mayan Indians. Browse the endless stalls heaped with crafts and textiles of every design; observe mask makers at a local workshop; and witness odd religious rites melding Catholic and pre-Colombian traditions. We will sail across the Lake Atitlan by boat to the picturesque, lakeside village of Santiago. We will fly to Flores and then onto Tikal, the ceremonial city of the classic Mayan civilization, considered one of the most significant archeological sites in the Americas. This great Mayan site, restored over the past quarter-century, is an ancient site of towering temples, with sophisticated stone dwellings reflecting the splendor of a 2,500 year-old civilization. If you are the adventurous type you can hike up to the Pacaya Volcano to watch lava rivers and volcano activity.

Belize:

Belize offers many adventures, while remaining so utterly unspoiled and little developed. The least inhabited Central American country, Belize combines the rarest wildlife of Central America, the finest Caribbean beaches, and the most flamboyant marine life in the western hemisphere. You can go on an exciting adventure of Cave Tubing, where rivers disappear into the underworld as you float on inner tubes with only your headlamp to lead the way. Glide past entrances from above, filtering mists of jungle light, as you float through underground river caves sparkling with mica-studded stalactites and stalagmites. We will board boats to Ambergris Caye, Belize's great launch site for explorations of the world's second longest barrier reef. We'll arrive at the island hub of San Pedro and proceed to your bare-foot resort, nestled among the tall swaying palms on the white sand beaches. You can soak up the sun on the beach; or do some of the finest snorkeling and scuba diving in the world (the famous blue hole). There will be many optional excursions to choose from, such as snorkeling, scuba diving, fishing and sailing trips.

TRIP PRICE INCLUDES:

- *Round trip airfare from LAX to Guatemala City and return Belize to LAX; Airfare to Flores to visit the Mayan Temples in Tikal

CONDUCT POLICY OF THE CONEJO SKI & SPORTS CLUB

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC activity representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC activity packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity.
