OCTOBER 2011

A Message From Your President

Well, September was a great month. We had a good time at the NASCAR races—35 of us had fun—thanks, Julianne. The Beach Party was terrific! Over 120 of us were treated to incredible food, good times, and interesting weather. Thanks Richard, for all your hard work. Pat Leicester led a trip to the Malibu Playhouse—what a intimate venue to see a play! Finally, is there anything better than camping with 46 of your fellow club members? In sunny San Diego? I doubt it.

If you miss the stories of our trip to San Diego, you will just have to talk to those who were there and go next year. Everything from shredding a trailer tire on the way down, to blazing new trails on bicycles, great food, Jimmy Buffet music/dancing, sea air, just to name a few things—it just can't be beat! Thanks to Sharon Schnell for another great adventure! I have some great memories of each of these events and am looking forward to experiencing even more this month.

We start off with a trip to Morro Bay for three days, led by George Stage. Next, Ann Gonzales has us booked to have lunch and see a play at the Circle Bar "B", north of Santa Barbara. Our first of three trips kicks off on October 10, as Ken Ringer leads his group to Vietnam and Cambodia. While they are gone, some of you will be going to a Murder Mystery train ride led by Petra Dorris; and finally, Greg Lanigan has planned another great Halloween Party for us at the end of the month. Start getting your costumes ready!

Congratulations to all of our trip leaders for stepping up and suggesting events that offer so many choices to the membership. It is your efforts that make us the great club that we are. I hope others of you will consider taking the lead and develop some activities that you organize. We need you. If you need help just ask Kathy Feiman. She will put you together with someone who has experience and can help show you the ropes.

I am looking forward to seeing you all at one of this month's activities and having a great time! Thanks for your support!

Jim Robertson

• **Guest Policy:** We want to remind members of a policy which we have had in force for years: A visitor can visit the club two times before deciding whether or not to join the club. This includes the bi-monthly meetings and the activities/parties. **Guest fees** (which are often listed on our flyers regarding the entrance to an event) apply to those who are visiting for one of those two times. Thereafter, to attend an event, the yearly dues must be paid, just like all the other members. .

CASE STUDY HOUSE #22

SATURDAY, OCTOBER 15, 2011

3:00 PM

**COST IS
ONLY
\$25.00**

The Case Study House Program produced some of the most iconic architectural projects of the 20th Century, but none more iconic than or as famous as the Stahl House, also known as Case Study House #22 by **Pierre Koenig**. The modern residence overlooks Los Angeles from the Hollywood Hills. It was completed in 1959 for Buck Stahl and his family. Buck Stahl had envisioned a modernist glass and steel constructed house that offered panoramic views of Los Angeles when he originally purchased the land for the house in 1954 for \$13,500. Stahl had originally begun to excavate and take on the duties of architect and contractor; it was not until 1957 when Stahl hired Pierre Koenig to take over the design of the family's residence.

Pierre Koenig was able to hone in on the vision of Buck Stahl and transform that vision into a modernist icon. The glass and steel construction is understandably the most identifiable trait of architectural modernism, but it is the way in which Koenig organized the spatial layout of the house taking the public and private aspects of the house into great consideration.

The Stahl House is still one of the most visited and admired buildings today. It has undergone many interior transformations, so you will not find the same iconic 1960s furniture, but the architecture, the view, and the experience still remain.

CONDUCT POLICY OF THE CONEJO SKI & SPORTS CLUB

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC activity representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC activity packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity.
