MAY 2013

A Message From Your President

Our elections are now over and we have a brand new Board for our 2013-2014 season. Well, maybe not so new..... our past Board was so happy with their positions that most of them said they would like to continue on the board and you re-elected them for another year. So, our Board will remain the same with three exceptions: Our new Membership VP is Thad Malesh, new Social V.P. is Sandy Palmer and our new Marketing V.P. is Ken Walker. It's never too early to start thinking about becoming a board member next year. We are always looking for people to volunteer their time and skills and it's a great way to learn about how the board works.

The only true elections that we held were for "Man & Woman of the Year." Although it was a difficult decision with so many well qualified candidates, you selected Ted Zalta and Christine Houghton this year. They will be representing you at L.A. Council's Snow Gala in the fall and participating in L.A. Council's Man and Woman process.

The "Spring Fling" Party was a huge success. "In a rude mood" was fantastic and played great dance music all night. The food that people brought was amazing! I can't remember when I have seen such variety and really good food. It was truly a dinner feast.

Our "Activity Leader Appreciation Party" was a lot of fun. This is the board's way of saying thank you to all the people that have volunteered to run activities or hosted parties at their house. We would love to invite you next year Contact Kathy Feiman to find out how you can help.

We served over 1800 bowls of our award winning chili at the "Conejo Valley Chili Cook-off" last Sunday. Special thanks to the folks that helped cook 25 gallons of Chili on Saturday and to the volunteers that went out to the park and set up, served and promoted our club all day. It was a lot of fun and we may have made a few new friends.

The flowers are blooming and the grass is growing and it's time for outdoor parties and picnics. Next weekend, we will have a "Cinco de Mayo" Party, well we had to actually have it on the quarto de Mayo since we wanted to have it on Saturday. It's a very fun party with food and dancing. Then on the following Saturday, we will have our annual "Summer Kick-Off Picnic" at Dos Vientos Community Park. Ron always does a great job with the food and my favorite is the egg and water balloon toss. *Lake Cachuma* and *Yosemite* are coming up in June, so make sure you sign up at one of our upcoming meetings.

This club runs on your energy. The more you volunteer and participate the more you will get out of the Conejo Ski & Sport Club. *Richard Murray*

**SATURDAY
MAY 11
2013**

Dear Family, Friends and Co-Workers:

March 28th will be the 3^d anniversary of my aggressive breast cancer diagnosis. I am so blessed as that devastating year is nothing but a vague memory. I just passed another 6-month check-up with flying colors.

I have always supported the Annual EIF Revlon Run/Walk for women financially. This Saturday, May 11th will be my 3^d year as a participant. I am always surprised by how emotional an experience it is to participate in this event.

I am committed to the fight to end women's cancers because we've all known and loved someone affected by this disease. This past year I am aware of four more women within my circle of friends that have been diagnosed. I walk this event to support these women and all mothers, daughters, sisters, aunts, grandmothers, wives and friends.

Just click the link below and join me in the fight against women's cancers by making a donation on my behalf. This is a very secure site . . . I have both given and received donations on this site for years. These are tough economic times.

Many of us feel the cost of living has increased at a far greater rate than our income but keep in mind even the smallest donation can make a difference. Food for thought, if everyone on my e-mail listed donates \$5.00, I will surpass the \$2,000.00 mark - - they add up.

Last year I exceeded my expectations and collected \$2,250.00 for this wonderful cause. With your help, I hope to match and possibly exceed last year.

It is not possible to explain the impact of a breast cancer diagnosis but support of this event will guarantee more research until eventually we obliterate this devastating disease.

Bless you all for supporting this worthwhile cause. Evie Askvik

CONDUCT POLICY OF THE CONEJO SKI & SPORTS CLUB

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC activity representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC activity packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity.
