President's Corner

The ski season officially began last weekend with a packed bus that took off for Mammoth. They skied under sunny skies and surprisingly good conditions. It's amazing how Mammoth can make that much snow when Mother Nature does not cooperate.

This Saturday we have a group flying out to Park City for a week and the forecast calls for snow. I've always dreamed about the fluffy Utah powder, but for now I'll have to settle for the corduroy at Deer Valley. The Banff/Lake Louise trip is just a month away with 72 members traveling to Canada to be pampered at the Fairmont. I'm not sure if it was the Fairmont or the skiing that attracted so many members.

Believe it or not the ski season signals that our ski club year is coming to an end. Elections are just 10 weeks away on April 15th. Most of the board members have served at least 2 years and there are several board members that will not be running for re-election. If you are interested in helping the ski club... joining our board is a great way to make new friends and to help the club. Those of you that served on the board in the past and would like to help again we would welcome you back. If you are not ready for a board position, we are always looking for folks to help with events. Activity leaders are the heart of the ski club, creating and executing all the events. You may not be a leader type, but that's OK, we always need lots of people to help. We can never have enough help. Thank you!

Richard Murray, President

Solstice Canyon Hike

Saturday, February 21

8:00 am

Solstice Canyon is a place where one can experience nature. Native Chumash Settlers first used the canyon for food, water and shelter. Homesteader Henry Keller built a stone house in this Malibu Canyon in 1903. The trail leads to the Roberts house, which was designed in 1952 by renowned African American architect Paul Williams, and was destroyed by a fire. An arched stone courtyard garden terrace, ruins and exotic tropical plants still remain. Near the ruins, a waterfall, cascades 30 feet over sandstone rocks. The trail meanders through a lush canyon with a sweeping vista. The hike is 4 miles roundtrip with an elevation gain of 1,000 feet.

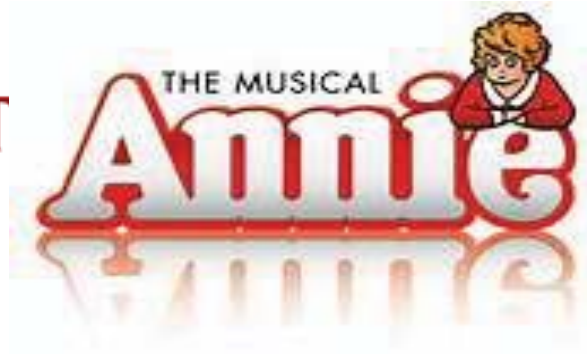

Meet promptly at 8:00 am at the Kanan Rd carpool lot. Bring hiking shoes, plenty of water, munchies, hat and sunscreen. Bring \$\$ for a fresh seafood lunch afterwards.

Directions: Ventura Freeway (101) to Kanan Rd exit. Turn into the carpool lot across from Burger King

The Land of The Midnight Sun offers an once-in-a-lifetime unique experience. Norway is one of the last great natural frontiers of the world. A land with its World Heritage fjords, endless waterfalls, majestic mountains, blue glaciers, salmon-filled rivers, crystal lakes, deep-green forests, steep-sloped farms and quaint fishing villages.

- **Experience Europe's Most Spectacular Train Ride**, The electric train ride from Myrdal to the village of Flam is considered to be one of Europe's most scenic train rides. The cog railway encompasses two arms of the Sognefjord, with a drop of 2,896 feet, taking you through the most beautiful mountain scenery in Norway, through tunnels, numerous waterfalls and tiny villages. Sognefjord, the longest fjord in Norway, stretches for a distance of 127 miles. Its towering cliffs, rising to more than 3,280 feet, and its cascading waterfalls create a kind of fantasy landscape.
- **Cruise Along a World Heritage Fjord**, between Flam and Gudvangen, the ferry winds its way around the mountain, past mighty waterfalls and small homesteads that cling to the mountainside.
- **Take a Sea Voyage of a Lifetime**, on a coastal steamer cruise ship, along the west coast of Norway from Bergen to Alesund, sailing past the most beautiful fjords in Norway. Our journey takes us to Geirangerfjord, which is considered the most beautiful of all the fjords in the world.
- **Explore Oslo, a Cosmopolitan City**, where Nobel Peace Prize selections are made. Our guided panorama tour takes us by the 13th-century Akershus Fortress, the Opera House, Parliament, and the Royal Palace, with a walk in the Vigeland Sculpture Park. We will continue our tour, to the site of the famous Holmenkollen Olympic Ski Jump to enjoy the amazing view that overlooks the city.
- **Image Yourself Strolling in the Middle-Ages while in Bergen, a World Heritage Site**, with its pastel wooden houses, winding cobblestone streets. Our walking tour we wander through Bergen's past, spanning 900 years of history, with its ancient wooden buildings and narrow alleyways. We will explore the charming Hanseatic Wharf and the Fish Market. A Funicular will whisk us to the top of Mount Floein with beautiful views over Bergen and its surrounding fjords.
- **Visit Alesund, Norway's Most Beautiful City**, known for its Art Nouveau style, with its spires and gargoyles, a city surrounded by majestic fjords and the high peaks of the Sunmore Alps.

CONDUCT POLICY OF THE CONEJO SKI & SPORTS CLUB

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC activity representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC activity packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity.
