President's Corner

It's 100 degrees outside and believe it or not we are finalizing our 2017 winter ski trips. Chuck, Louise and Ted have been working for the last several months planning our out of state ski trips. They did some crazy negotiating and were able to price the Sun Valley trip at \$1600 per person and Snowmass/Aspen at \$1450 per person. Sun Valley and Snowmass/Aspen here we come! The flyers are attached for full details. Signups will be held before our regular meeting on September 7th and are on a first come first service basis. There are no sign-ups prior to September 7th.

In early July, Jim Robertson took 50 people to Santa Anita Racetrack. They had a beautiful day with lots of fun at the track. There were a number of members that won BIG! Sandy was one of the winners and picked her winners based on the extremely scientific method of betting on horses with names that sounded good. She was all smiles at the last meeting.

We are in the process of signing up for the Sycamore Cove Beach Party September 17th and San Diego Campland September 22nd. You can sign up thru the mail or at the next meeting. Complete details in the newsletter. Don't wait many of our events are selling out early.

We completed our 2017 travel survey using survey monkey. We had the best response ever with about half of our members filling out the survey. There were around 30 people interested in Dubai and 70 interested in Spain. The Dubai trip will be held at the end of April in 2017 and Spain in the fall of 2017. If you have questions please contact Carolyn Phillips about Dubai and Lou Patalano for Spain.

I would like to thank Barton Phillips for taking care of our website for the last year and the newsletter since May. He has resigned for personal reasons. Sharon has volunteered to publish the newsletter and we are looking for someone that can maintain our website. I will be updating the website during the transition. If you think you may have an interest in updating the website for the club please contact me for more information. It's not as hard as you might think but you do need some computer skills.

We are getting good participation at our meetings on the 1st and 3rd Wednesday of the month. Come join us, see some familiar faces and make some new friends.

What is the Conejo Ski and Sports Club?

The Conejo Ski & Sports Club is the largest club membership of its kind in Southern California and is a member of the Los Angeles Council of Ski Clubs and Far West Ski Association.

We're an active club that offers organized year round recreation and social activities for active adults. CSSC was formed in 1982 and still has almost 400 members today. It allows members of all ability levels, the opportunity to find recreational entertainment and participation in community activities.

There is a governing Board of Directors that oversees all club activities, according to the By-Laws and Policies and Procedures. Elections for our Board of Directors takes place in April and we encourage our members to participate in the election process, as well as serving on the board and/or other committees. The Conejo Ski & Sports Club prospers because of our very active member volunteer participation.

We offer a myriad of events to choose from, including snow skiing, hiking, biking, camping, volleyball, tennis, travel (international and domestic), themed parties, wine tasting, beach parties, dancing, live theatre, bridge, just to name a few. Do as much or as little as you like!

Conduct Policy

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments.

CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club.
