Conejo Ski & Sports Club Newsletter

President's Message

● September is here, school has started and summer is over. Well, not really for the Conejo Ski & Sports Club. We still have activities to enjoy before we leave summer behind us. ● Not wanting to let summer go too soon, we will have our annual end of summer Beach Party October 3. See the flyer in this newsletter. We are taking signups now. Again, Richard Murray is leading this event. Richard always does a fantastic job for this party and the Beach Party is always terrific.

● Sign-ups for our Jackson Hole and Breckenridge ski trips will begin at the September 2 meeting. Chuck Ames has it all together for you, so be prepared to sign up with him. See the flyers in this newsletter. ● The Mammoth Summer trip was a wonderful experience. They hiked and biked and enjoyed the beauty of the Sierra Mountains. There were dinners and breakfasts and partying. By Sunday everyone was saying, "I want to sign up for next year." A big thank you to Ann Wright, our trip leader. You did a terrific job, good planning and a lot of fun. ● A group of us went to the Nethercutt Collection. What a treat! There were hundreds of vintage automobiles. Such extravagance. They are such beautiful machines. All of them in running condition. We asked about taking some of them for a drive, but they said NO. We were also treated to the collection across the street. More wonderful cars and beautiful furniture, collectibles and musical instruments. The organs and piano and various other instruments were magnificent. They played them for us and we were transported to another dimension. Thank you Jim Robertson for putting this together for us. ● The Toga party was great fun. The majority of party goers dressed in togas, or a facsimile of a toga. The Greek food from Daphne's was excellent. We danced until they rolled up the dance floor. Thank you to Debbie and Scot for opening their home to us. Thank you to Donn Smylie for organizing another wonderful party. ● In September we have our traditional Campland on the Bay camping trip to San Diego. We will enjoy the Jimmy Buffet Tribute sponsored by the Parrot Head fan club of San Diego. It's always a fun weekend. There are so many things to do and see in San Diego. Jo Schuler will be the activity leader in San Diego. Thank you Jo.

TOGA PARTY

SUNDAY SEPTEMBER 13, 2015
2:00 PM

Annie Oakley is the best shot around, and manages to support her little brother and sisters by selling the game she hunts. Col. Buffalo Bill persuades her to join his Wild West Show where she falls in love with dashing headliner Frank Butler. When she eclipses Butler as the main attraction, it's good for business but bad for romance. Butler leaves to join a rival show, his bruised male ego leading the way, but is ultimately pitted against Annie in a final shoot-out.

We'll take a funicular to Gornji Grad, although very steep, it is the shortest funicular ride in the world at only 100 meters. We also visit the Croatian Museum of Navie Art. In the afternoon, on our drive to Rovinj, we will go on a drive through sightseeing tour of Opatija (oh-PAH-tee-yah), the most elegant resort town on the entire Adriatic. We will continue to the city of Rovinj (roh-VEEN), with Venice, Italy just across the Adriatic Sea. Rovinj is the most photographed city in Croatia. It is a beautiful Venetian style town with a dominating cathedral set on the top of a hill. Its narrow cobblestone streets intersect each other like a spider's web. The town was started by Venetians in the late 12th century and today it is considered one of the most desired tourist destinations. Its picturesque appeal is attracting more artists every year from all over the world.

Day 4 (B, D) PULA / POREC / MOTOVUN / ROVINJ (Lodging in Rovinj)

After breakfast, we will go on a full day "Circle of Istria" tour. We will visit the town of Pula. Pula (POO-lah), which is the site of the best preserved Roman amphitheater in the world. We will continue on our exploration to the Lim Fjord, which is a five mile long fjord and it is known for having one of the largest shellfish farms in Croatia. It is a great place to try some fresh oysters on half shell or a bowl of mixed shells in garlic and wine sauce. We will head to Porec (poh-RETCH), a small town which was built during the Venetian times and it is the home of Croatia's UNESCO World Heritage Monument; the Euphrasian Basilica. We will journey to Motovun (moh-toh-VOON), which is located in the Interior of the Istrian peninsula. This area resembles Tuscany, Italy and it is appropriately nicknamed "The Croatian Tuscany." Small fortified towns are perched on top of little hills surrounded by vineyards and olive groves. During our exploration of this area, we visit a winery and then journey to Motovun, which is the birthplace of Mario Andretti. This is the truffle capital of the world and home to the largest white truffle ever found. We will go on a short "Truffle Safari". Afterwards, we will have a truffle dinner in a local restaurant that specializes in truffle dishes. Following dinner, we will return to Rovinj.

Well maintained paths, wooden boardwalks and bridges, make it easy to walk behind waterfalls to watch its cascading waterfalls. Imagine sixteen pristine lakes set one above the other; all nested in a rain-forest, in a green jungle-like natural landscape with water cascading from one lake to the next. Dinner in Plitvice will be a real treat; lamb on a spit, roasted on an open fire or a Traditional Croatian "Licka Vecera" Dinner prepared on an open fire "ispod peke" (under iron bells).

Upon arrival in Dubrovnik we will go on a walking tour of the city, getting us oriented with this fascinating Medieval Walled Old Town. Dubrovnik is nicknamed the "Pearl of the Adriatic," it is the most fascinating city in the region, it is one of the top destinations in Croatia. The entire Old City has been designated a UNESCO World Heritage Site, preserved with almost all of its original buildings. The city was also a setting in the HBO series "The Game of Thrones". The city wall is 15 foot thick and over 25 feet tall and is topped by a 1.25 mile foot path. Unforgettable views as you walk the walls above the city's red and orange-tiled roofs. CONDUCT POLICY OF THE CONEJO SKI & SPORTS CLUB

Conejo Ski & Sports Club (CSSC) sponsors various activities for a varied population. The CSSC Conduct policy was developed to maximize the enjoyment for all participants and to provide guidelines for CSSC. This policy applies to all persons participating in a CSSC activity. All participants are requested to observe common courtesy and generally accepted standards of behavior. Activities include, but are not limited to CSSC sponsored trips, parties, sports and cultural activities. CSSC will not tolerate violation of any Federal, State or Local laws or ordinances. Illegal use of drugs, tobacco or alcohol will cause the participant to be removed from the activity. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at an event. Participants, who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (e.g., lift tickets) and not transfer, resell or barter all or portions of that package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities. CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club.
