## Jim Robertson for President

Hello Fellow CSSC Members, my name is Jim Robertson and I am running for the office of President because I want to carry on the energy that has been created over the past few years. If you don't know me by name, I may have sold you raffle tickets. If you've met a smiling guy wearing a very special "money jacket" on the nights we give away \$500, you know who I am.

The ski club has been a big part of my life over the years and I hope to have the opportunity to serve the members again. I joined CSSC in 2005 and immediately got involved by serving as VP of Membership from 2007 to 2009 when I was elected President. For three years I worked to increase our membership, widen our choices of activities, and accomplished what I set out to do. I held the office until 2012 and then was Past President for another three years. In 2017, I was asked to be the election committee chairperson. I also enjoy leading club activities. Many of you have joined me at the Doo-Dah Parade in Pasadena, the Nethercutt Auto Museum in Sylmar, and on our annual trip to the horse races at Santa Anita. In 2015, I put together explosively spectacular 4<sup>th</sup> of July event at Borchard Park.

Now that our current President is leaving his position, I decided to one again run for the office. I want to insure that we keep the momentum flowing. There are a number of new people, with new ideas, running for your board this year. I feel that I can help them be successful by supporting them as they generate new activities for all of us.

Our Club is only as successful as those members who are excited enough to jump in and keep it running for office. I feel my experience will be valuable for our new board. I hope that you will support me in my effort. Conejo Ski and Sports Club has been around for over 36 years. Let continue our success.

## Sharon Schnell for President

I am Sharon Schnell

I'm running for President of Conejo Ski And Sport Club

I believe I am the best candidate for President

- ❖ I am Chairperson of the ByLaws Update Committee
- ❖ I have held 5 of the 12 offices on the Board of Directors at various times
- ❖ I understand what the Board Members require to perform in their positions
- ❖ I want each member to feel an ownership in the functioning of our club
- ❖ I will always be open to your suggestions

I want to lead our Board of Directors in continuing to provide new and innovative activities for our members

## Richard Murray for V.P. Website / Marketing

I have had the pleasure of serving as President of our Ski and Sports Club for the past two years. Many of you know me from ski club meetings, traveling trips, attending activities or heard my infectious laugh from across the room. I love being part of the ski club because of the fun and engaging people with similar interests. In 2013, Laura and I led an exciting, 10-day rafting trip thru the Grand Canyon and then in 2015, we took 50 people on a week long trip to Washington DC. For the last 8 years, in September, I plan and manage the Sycamore Cove Beach Party where we serve 130 people a wonderful beachside meal. Not only do I lead activities, each year Laura and I participate in three Mammoth ski trips, a week long ski trip, a summer travel trip and attend too many other activities to count. I meet most of the folks that join our ski and sports club and many are now my close friends.

I have been on the Board for a total of eight years. I joined the board as V.P. of Membership, then V.P. of Website/Marketing, served 2 terms as President for a total of 5 years. Our term limits for President do not allow me to run for President a third year. I built the current website, meet-up site and facebook page and have trained all of the webmasters in the last 8 years. Its time to evaluate our current digital communication platforms and determine if its time to update our website and social media. I feel the best way I can support the board and help the club is to run for the V.P. Website/Marketing. I have spent a career working in marketing and customer service and have the skills to help the board effectively use the internet to communicate with our current and prospective members.

The future of our ski and sports club is dependent on developing and marketing, great activities and trips to maintain current members and attract new ones. I believe I am the right person for the V.P. Website / Marketing position.

## Bill Welty for VP of Web and Marketing

I am excited that with your support that I will be able to serve on the board again. I have been an active member of the club for 25 years and have enjoyed a lot of great ski trips, sports activities and social events. Go Conejo!

Several years ago I served as the Executive Vice President. Recently I was on the Bylaw committee to help make the updates that we all will soon be voting on.

While working on the committee I realized how much I enjoyed working with the members of the Board to make the club even better.

I have volunteered for the position of Webmaster because I feel that I have the skills to be successful. In my professional life I am the Director of Engineering for one of the Los Angeles TV stations. I am responsible for all of the production and computer systems.

I think that we have a great website. However, the job of Webmaster is more that just maintaining what we have and keeping it up to date. We must reach out to not only to our current members but also to others in order to help our club grow. I would do this by using all the different forms of social media.

I would bring new ideas and background to this position. I am looking forward to having another great year with the club and would very much appreciate your vote.

Thanks, Bill

Thirty-four avid skiers (and 1 snow-loving, faithful wife and non-skier) flew to Kalispell, MT, on Saturday, March 3rd. The flight was smooth and uneventful to the tiny airport only to find that 9 boot bags were still waiting in Seattle. After we filed the proper forms with the airlines, our other bags and all skis were delivered to the hotel by the porters and with a 15-minute ride we were at our destination: the beautiful Lodge at Whitefish Lake.

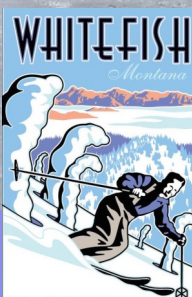

We started Sunday morning with a Breakfast Buffet at the Lodge and then headed to the Whitefish Mountain Resort Village to ski Big Mountain. It was a glorious day and we all were treated to perfect weather to view the Snow Ghosts at the top of the mountain. These are large pine trees that are continuously packed with snow, creating various-shaped, amazing, stunning sculptures. The top of the mountain also allows a magnificent view of Glacier National Park just a few miles away. And what we all learned that week: Big Mountain has no wind!

The week provided a variety of weather from picture-perfect to impossible whiteouts (sometimes in the same day). We had snow off and on and there was plenty of that beautiful, whipped cream powder for making "fresh tracks". Some comments on that were, "Best day ever." while others admitted their lack of experience in fresh powder. Each skier has stories to tell but everyone agreed that they loved the mountain. Most of the over-70 crowd, who got free lift tickets, skied all 6 days. There were some crazy boot mix-ups at our in-house ski storage but there were no injuries and, best of all, no one got that nasty winter cold or flu!

The Apres-ski Party at the local Montana Tap House was excellent. Everyone was able to make a full meal out of the Slider Buffet featuring beef, chicken or pork with toppings from cheeses to lots of veggies. The 50 beers on tap were great to sample as well, so it was a fun, satisfying evening. The Farewell Dinner in the lovely Regatta Room at the Lodge supplied beautiful vistas as well as an excellent dinner of Salmon or Filet Mignon. There were also lots of terrific reviews from everyone of the best restaurants in the town as well as a total "thumbs up" for the Lodge's Wednesday night \$10 All-you-could-eat Seafood Buffet with live music in the often-visited Boat House Lounge/Bar.

Now, throw in the 2 different jacuzzi's (one indoor and one outside) at the Lodge, the constantly friendly, helpful staff and residents/workers of Whitefish, and the ease of getting around the area with this happy Conejo group and you have the makings of an "EPIC" out-of-state trip!

A CONEJO SKI & SPORTS CLUB EVENT

**"Sylvia"**  
**Sunday April 29 @2pm**  
**Camarillo Skyway Playhouse**

"Sylvia" is a love story, or at least a story about a man's relationship with one of those magical animals people in stories so often meet just when they're at a troubling crossroads in life, an animal that is a guide to finding the best in ourselves.... our nature to project human characteristics onto our non-human companions is dramatized by having the adopted dog played by a sexy, adoring young woman. "Greg, tired of his job in finance, is looking for meaning in life. Sylvia, a dog, is an exuberant and beautiful lab/poodle mix, astray in Central Park, looking for a new home. When they meet, it's love at first sight. But his wife Kate is less than thrilled by the dog who jumps, slobbers, piddles on the floor, sits on the couch, and takes Greg's attention."

**June 8-11, 2017**

**Join us for our 30<sup>th</sup> ANNUAL trip to Half Dome Village (fka Curry Village)**

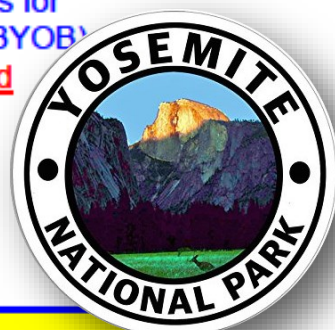

Join us for a little slice of heaven, in the extremely beautiful Yosemite Valley. Tent cabins come furnished with beds, sheets, blankets, pillows and an outside food locker (bring your own lock). Other amenities include a swimming pool, shower & bathroom facilities, a general store, and a pavilion with a variety of dining options. The easiest way to get around Yosemite is on a bicycle, but if you prefer, there is free shuttle service that goes to all Yosemite Valley locations and trail heads.

Explore Yosemite by hiking one of the numerous trails (all levels, easy walks to strenuous hikes), or bicycling around the village. You can also float down the Merced River, assuming the water level is not too low, in a rented raft, or bring your own raft or tube. We might even play some volleyball.

*Transportation to Yosemite is on your own or by carpool, which you will arrange.*

After exploring all day, join us for

3. I willingly agree to comply with the stated and customary terms and conditions for participation. # PICKLEBALL!

EVERY FRIDAY, 6:00 to 8:00 p.m.

Rancho Conejo Playfield  
950 Ventu Park Road, Newbury Park  
(CANCELED WITH RAIN OR HIGH WINDS)

Friday night pickleball is designed to introduce members to this wonderful sport, as well as to provide open play for members who already know how to play. We will promote the club's commitment to exercise, social interaction and sense of community.

Just show up and you will learn how to play!

Beginners will learn the basics, including how to hit a funny yellow wiffle ball, how to keep score, when to stay out of the kitchen and why you shouldn't be caught in the toilet!

Experienced players will get to play with other club members at a similar skill level, or challenge players at a higher level.

Play will depend on how many courts are available to us. If we have one court only, we will have group instruction first, then rotate players on and off the court in 6-point games.

If we have several courts, we will have an instruction court and also full-play courts by skill level – beginner, intermediate and advanced.

(These are public courts and not reservable.)
