

President's Message

All COVID-19 Quarantined CSSC Members!! I'm very excited to

be starting a new year as your President, even though these are very strange times. Who would have ever guessed at our last club meeting in February that the following month we would start self-quarantining or run around with face masks and have to cancel our club meetings? <u>It looks like we won't</u> be able to have face-to-face meetings at the Palm Garden

Hotel for a while yet, so I'm working with our wonderful new board members to put together club Zoom meetings for June 3rd and 17th. For those who are non-techie, a Zoom meeting is like Face Time or Skype, but because the club bought a commercial Zoom license, we can have unlimited people join in on the video conference. Expect to get an email invitation from Bill Welty prior to each meeting, and you'll have to have a Zoom app on your phone or computer in order to participate. On June 3rd we will introduce the new board members, man and woman of the year, and give you updates on club activities and next year's ski trips. Many of you already know that Yosemite and the annual Beach Party have been cancelled due to COVID-19. But we're planning other activities that will take place once the current restrictions let up.

On June 17th we're going to have a Conejo Ski and Sports Club trivia contest at our Zoom meeting. If you are a longtime CSSC member, please email me photos of people or events from 10+ years ago. We'll see who can recognize club members and/or events from the past. Just remember to tell me what the right answer is!! We may have to have Zoom meetings in July, so please email me any ideas you have to "jazz up" the meeting. **Our first Palm Garden in-person meeting** (watch for announcements) will be a \$500 raffle night and each member that attends will be given a drink ticket good for house wine, beer, or soda!! We're ready to party and we're sure the rest of you feel the same way!

Bill Welty is helping the board with new club email addresses. Give us some time for everything to get set up. My email is established as <u>presi-</u> <u>dent@conejoskiclub.org</u> and I can send and receive emails at that address. By June 1st the rest of the board should be ready. After that date please send clubrelated emails to our new accounts so our personal mail addresses don't get overloaded. The new club email addresses are published in the monthly newsletter.

The current COVID-19 situation is a temporary setback. Your board and I are looking forward to a fantastic year!

Margaret Barnett, President

Calling all out-of-state skiers!

Before I provide an update on what's in the works for our out-of-state ski trip program in 2021, I'd like to commend Marjorie Ormsby for an outstanding job as our VP over the past two years! Marjorie and Shirley Thorne ran highly memorable trips to Park City, Vail, Telluride, and Banff-Lake Louise; all great destinations at great prices for our members! Shirley has volunteered to be my trip leader and Ted Zalta is continuing as advisor, and together we are working to make 2021 a fantastic year as well!

Here's what's in the works for 2021. Ted, Shirley and I have a process for putting ski trips together, and in a year without a pandemic, we would normally have signed contracts by mid-June. This year the process has been more difficult! The Mountain Travel Symposium was cancelled, and resorts have laid off staff or reduced hours, making coordination difficult. We are making progress on getting signed contracts, but we're not there yet and details can change, so please keep that in mind.

We are currently looking into **Aspen-Snowmass**, a destination always popular with our skiers! **Tentative dates for the trip are Jan 16 – 23, 2021**. This would be the fourth year since our club's last trip to Snowmass. We are looking to return to the Crestwood condos, a well-located ski-in-ski-out property. However, instead of flying into Denver, we are looking into direct non-stop flights from LAX to the Eagle Airport, located just 60 miles north of Snowmass. This would reduce our bus travel time from over five hours to just one hour fifteen minutes, or about eight hours

less bus travel roundtrip! Once we have a signed contract, hopefully soon, we will start working on pricing.

The se 2021. Air has you mi our ski on the

The second trip in the works for 2021 is Jackson Hole, Wyoming with tentative dates Feb 27 – Mar 6, 2021. Shirley Thorne will be our trip leader and both her and Ted are very busy putting this trip together. Air has been reserved and Shirley and Ted are in the process of securing lodging for our group. In case you missed the last club trip to Jackson Hole, it is in my opinion the most fun town that we visit on any of our ski trips! In addition to the Cowboy Bar and the Silver Dollar Saloon, you have the National Elk Refuge on the edge of town with 10,000 wintering Elk, the National Museum of Wildlife Art, and snowmobile or snow coach tours of Yellowstone Park that you can book for your day off from skiing! We don't have a signed lodging contract yet, and details are subject to change!

Hore

Finally, I'd like to bring you up to date on the Ikon pass. Aspen-Snowmass and Jackson Hole are Ikon partners, meaning they are not owned by the Altera Group. If we can run these two trips in 2021, you will be able to

ski up to five days at each destination with costs \$150 more than the Ikon base chase the full Ikon pass for an additional option will allow you to ski as many days as and Jackson Hole without blackout dates! mass or JH, that extra day will cost more so you might want the full Ikon if you

the purchase of the **Ikon plus pass, which pass.** However, you may desire to pur-**\$50** over the price of the Ikon plus. This you like at Mammoth, Aspen-Snowmass, (If you plan to ski a sixth day at either Snowthan \$50). Also, **Jan 17 is a blackout date, plan to ski on Sunday, the day after we**

arrive at Aspen-Snowmass. Marjorie, Shirley, and Gary Huettinger coordinated a link with our travel agent which was recently sent to you via email. Since that email, the **deadline to purchase your pass before the price goes up has been extended until June 16, 2020.** Hopefully we have signed contracts before that deadline to help you make your decision. I believe you can purchase the Ikon base pass and still upgrade to Ikon plus or full Ikon up to Dec 10. Dec 10 is currently the last day to purchase season passes. You are more than welcome to confirm these dates by calling IKON at (855) 296-9403. Hope this update has been helpful. If you have any questions, contact me anytime at <u>chuckames62@yahoo.com</u>. In the meantime, stay safe!

Regards. Chuck Ames, V.P Skiing

Attention all Mammoth skiers!

As of right now, Mammoth Mountain is still closed. As they look to safely reopen certain businesses, they will follow California State and Local Mono County guidelines. At this time, there is no estimated reopening date for skiing/riding, and no projected opening date.

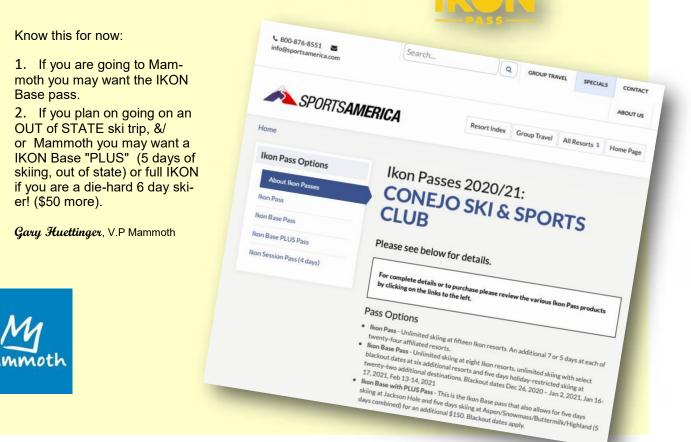

The planned CSSC Mammoth ski dates for 2021 will be:

- January 7 10
- February 18 21
- March 18 21

Remember that CSSC has a link to purchase your IKON Pass. The price will be the same as going to the IKON website, and the club will benefit from each ticket purchased through this website. Have your friends use the sight as well.

CANADA/NEW ENGLAND STATES FALL FOLIAGE CRUISE

OCTOBER 7-16, 2020 CSSC CST # 2109794 & Vacations to Go CST # 2043190

We will arrive in Quebec City mid-morning on October 8th and head off for a special lle d'Orleans Tour (possibly with wine tastings at a vineyard or two) for the afternoon. We then check into our 4-star hotel, the Courtyard by Marriott in Quebec City (which is only 3 years old and even has a Starbucks located inside for those diehard coffee lovers). Welcome Dinner at the hotel with wine is included. All rooms include 2 queen beds. The next morning after having our included breakfast, we check out and head off to our pre-selected bike or city walking tour. One bike tour is a flat 16 miles, and goes to the famous Montmorency Falls, with stops at points of interest along the way. When we arrive at the bottom of the falls, we'll take a cable car to the top of the cliff, for a breathtaking view of the falls. We will walk over to a suspended bridge where there is a panoramic view of the Saint Lawrence Seaway. The other bike tour is the Lower Town tour, and is a flat 8 miles of fabulous site seeing in the historical district and heritage sites, exploring some of the more revitalized neighborhoods and plunging into the heart of the French Quebecois culture, with a stop at a Farmers Market with local products and tastings (we must have a minimum of 6 guests for this tour). There is an option for an "E" bike for an additional fee of approximately \$20. For those that feel they just can't do any biking, you will be included in a walking tour of the historical city (we must have a minimum of 4 guests for this tour). After our tours we will be picked up by our private coach and taken to the port to board our cruise ship, the Norwegian Gem and sail for the next 7 days. Our cruise ship will stop at the following places:

Charlottetown, Prince Edward Island; Sydney, Nova Scotia; Halifay Manager, Bar Harbor, Taine and Portland, Maine. We disembark the ship in Boston

Built in 2007, and updated in 2015, The **Norwegian Gem** is one of the smaller ships in the Norwegian fleet. The ship boasts 15 dining venues, ranging from the 24-hour O'Sheehan's pub, to seven specialty restaurants. The ships Stardust Theatre, which is always packed, presents nightly Broadway and Vegas Style productions, comedy and magic acts, and a Cirque du Soleil style aerial thriller including gymnastics, acrobatics and bungee jumpers. Evening and late-night attractions include 50's/60's dance and comedy show, the Not-So-Newlywed game, and the Liars Club. The Spinakers Lounge is a big favorite for people of the 60's and 70's with a great rock and roll band. The ship has an attractive casino with two hundred video games and slot machines, including penny slots, and crap tables offering Las Vegas style betting odds.

We will also plan some club exclusive events on the ship, such as our own private cocktail party and some club exclusive optional land excursions in each port.

To sign up, write out a deposit check of \$300 per person made out to **CSSC**. Print out & complete the Sign-up form and waiver form found on the CSSC website and mail it along with a copy of your passport to Julianne Seeley 4962 Via Fresco, Camarillo, CA 93012. Contact info: julianne.seeley@brightview.com or 805-722-2921.

A custom, action-packed itinerary developed specifically for members of Conejo Ski & Sports Club who are looking for just the right combination of outdoor adventure, cultural exploration and relaxation.

Nov. 20 to Dec. 2, 2020 - 12 days plus 3-night extension to December 5, 2020

We'll begin by exploring bustling Bangkok, then jet up north to Thailand's "cultural heart" where we'll spend ive days exploring its rugged mountains, lush jungles, diverse peoples, and authentic Thai culture by bathing vaby elephants, visiting temples & hill tribes, cooking Thai food, jungle trekking, ziplining with gibbons, viking, and so much more! Then we'll fly 1,000 miles south to the tropics to relax, or pump it up, with norkeling, diving, island hopping, white water rafting, and kayaking options along the white sand beaches of Krabi before heading home or on to our Khao Sok extension. In Khao Sok, we'll "tree camp" in one of the oldest and most diverse rainforests on earth, home of the world's largest flower, wild elephants, and hundreds of limestone karsts jutting above the emerald hued water of Khao Sok lake. Then onto Phuket Island for an evening where those with an open-mind and sense of humor might opt for an after-dark stroll down Bangla koad to explore its nightclubs, bars, and unique nocturnal festivities.
