President's Corner

Hello fellow club members,

The good news: the Club is very busy this summer with activities. A whole bunch of people just got back from rafting in the Grand Canyon.

The bad news: the Officers are also very busy this summer with activities including both the President and the Newsletter Editor, hence...

So this is **"A.I. Gary"** for the month of August. Ski season may still be several months away but sign-ups for the Club's winter ski trips begins this month. Wade is now taking sign-ups for all Mammoth Mountain trips, Shirley will be taking sign-ups for February's Snowmass-Aspen trip at our first club meeting on August 4th and Lauren and Annick will be taking sign-ups for March's Whistler-Blackcomb trip at the second club meeting on August 18th. Sign-up early to avoid disappointment later.

Also please join me in welcoming Denise Skene who has just been appointed to fill the V.P. Social vacancy on the Board of Directors. Denise, has already been hard at work with Roz planning the Halloween Party and the upcoming Holiday Gala.

We are still looking for leaders for our travel trips, especially for 2028 now. If you are interested, see Carolyn Philips or myself (my real self, not my A.I. self)

WAIVER AND RELEASE OF LIABILITY AND CONDUCT POLICY

Activity: _____

(Read Before Signing)

In consideration of being allowed to participate, in any way, in the Conejo Ski & Sports Club programs, related events, and activities, I, _____ (Participant's Name Printed) the Undersigned, acknowledges, appreciates, and agrees that:

1. The risk of injury from many of the activities is significant, including the potential for permanent paralysis and death, and while particular skills, rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,

2. **I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES** or others and assume full responsibility for my participation; and,

3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,

4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, **HEREBY RELEASE AND HOLD HARMLESS** Conejo Ski & Sports Club, their officers, officials, agents, and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct the event ("**RELEASEES**"), **WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, LOSS OR DAMAGE TO PERSON OR PROPERTY, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE**, to the fullest extent permitted by law.

Activity participant agrees that this release will apply to all known and unknown as well as unanticipated claims, **injuries** and damages resulting from club activities, as well as, those now disclosed and all rights under section 1542 of the Civil Code of California are hereby expressly waived. Section 1542 of the Civil Code of California reads as follows:

" A general release does not extend to claims which the (person signing the release) does not know or suspect to exist in his (or her) favor, at the time of execution of the release, which if known by him (or her) must have materially affected his (or her) signing the release."

In addition, I have read, understand and agree to the Conejo Ski & Sports Club (CSSC) **Conduct Policy** which states: *All participants are required to observe common courtesy and generally accepted standards of behavior. CSSC will not tolerate violation of any federal, state, or local laws or ordinances. Illegal use of drug, tobacco or alcohol will cause the participant to be removed from the event. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at events. Participants who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (i.e. lift tickets) and not transfer, resell or barter all or portions of the package. Only CSSC or the issuing agency **may** compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored **activities**.*

CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club.

I have read and understand the above statements, and I am signing this document, granting this release and participating in this activity voluntarily. I also agree to abide by the CSSC Conduct Policy.

Travel Trips 2027 – 2028

We are looking for a few good travel trip leaders to lead trips in Spring and Fall of 2027 and all of 2028.

If you been somewhere you'd like to share with the rest of the club, or have a dream trip you'd like to go on, you should think of being a travel trip leader.

Planning, organizing, and leading a travel trip is a lot of fun and has many benefits:

**You get to design a trip exactly the way you want;
You get to really know the destination;
You get to meet new friends and know others better;
You get to sit in the front of the tour bus!
You can get a comped trip!**

If you have ideas, want ideas or information about being a travel trip leader, please call:

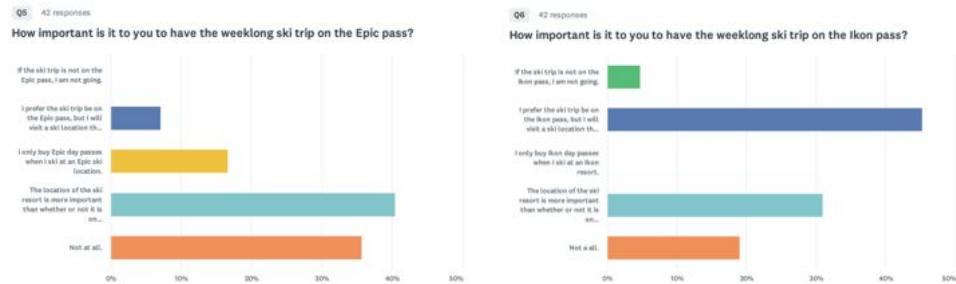

**Carolyn Phillips @ 805-796-7015 or
Email at phillipscaroc@gmail.com**

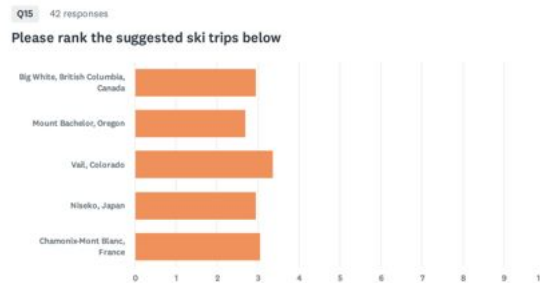

Your Board of Directors At Work:

Results from the CSSC 2028 Ski Trip Survey

Two initial questions posed by the survey inquired as to preferences between Epic and Icon resorts. We have included the bar chart responses for both questions directly below. While more respondents favored Icon resorts and passes, most also agreed that the destination was a more important planning consideration.

When asked to rank the five 2028 proposed ski resort locations Vail, Colorado inched ever so slightly into the most preferred spot; closely followed by Chamonix, France; Big White, British Columbia, Canada and Nisseko, Japan. Mount Bachelor, Oregon trailed but not by much in a near dead-heat race.

But more detailed questions about each of the five proposed resorts revealed the following respondent insights. Vail had a clear majority of respondents with 45% (the highest percentage of any resort choice) indicating they were “very interested” in skiing this resort. 30% of respondents indicated they were “very interested” in Chamonix, followed closely by 27% requesting “more information.” Many stated that they would like more information about the resorts of Big White, B.C., Canada and Mt. Bachelor in Oregon to make a more informed evaluation. But many of those requesting more information about MT. Bachelor also stated that they were more interested in other locations included on the survey list. Nisseko, Japan received equally mixed responses with 23% indicating they were “very interested,” and 28% asking for “more information.” However, 26% responded they “will not sign up” sighting either “too far” or “too much travelling” among the extremely limited written comments submitted.

The club’s favorite destinations include Aspen/Snowmass and Mammoth (though several respondents regarding the later noted they have not skied locations outside of Mammoth with the club.

Aspen/Snowmass (9 mentions); Mammoth (7); Steamboat (4); Banff/Lake Louise & Chamonix (3); Big Sky, Jackson Hole, Telluride and Vail (2); Park City & Whistler/Blackcomb (1).

The club’s least favorite destinations may largely reflect the poor weather/snow conditions experienced during our most recent visit, namely Sun Valley, Idaho being the most commented upon. Mammoth and Winter Park also were similarly noted.

Sun Valley (6 mentions); Mammoth (3); Oregon, Park City, Vail, White Fish & Winter Park (2). All trips with 5-hour bus rides (2 mentions).

Suggested areas for improvements included requests for the trip leader(s) to organize non-ski activities for those that do not or no longer downhill ski. [Currently non-skiers typically are on their own to organize most alternative activities.] Long bus rides also meant with growing dissatisfaction. Either direct flights resulting in shorter bus rides or allowing individuals/couples to arrange their own travel options were suggested.

34	good to allow alternate air & local transportation, not everyone wants to be on a 5 hr bus ride
35	Allow for alternate air travel and local transportation alternatives. Just because we all pay for the bus, it doesn't mean we all want to sit on a bus for hours.
36	Love the ski in/out and limited bus travel time. Enjoy the shortest flights and bus rides!
37	The club should allow members to get their own transportation like the international trips. Some of the routing we've had on ski club ski trips is insane and such a waste of time. People who fly in using their own air find their way to the resort on their own if people get their own air, the club bus does not wait for them. People who get own air still pay their share of the bus but not any air.

In consideration of being allowed to participate, in any way, in the Conejo Ski & Sports Club programs, related events, and activities

I, _____ and I, _____
(Participant(s) Name Printed) the Undersigned, acknowledge, appreciate, and agree that:

1. The risk of injury from many of the activities is significant, including the potential for permanent paralysis and death, and while particular skills, rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,

2. **I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES** or others and assume full responsibility for my participation; and,

3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,

4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, **HEREBY RELEASE AND HOLD HARMLESS** Conejo Ski & Sports Club, their officers, officials, agents, and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct the event ("**RELEASEES**"), **WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, LOSS OR DAMAGE TO PERSON OR PROPERTY, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE**, to the fullest extent permitted by law.

Activity participant agrees that this release will apply to all known and unknown as well as unanticipated claims, injuries and damages resulting from club activities, as well as, those now disclosed and all rights under section 1542 of the Civil Code of California are hereby expressly waived. Section 1542 of the Civil Code of California reads as follows:

"A general release does not extend to claims which the (person signing the release) does not know or suspect to exist in his (or her) favor, at the time of execution of the release, which if known by him (or her) must have materially affected his (or her) signing the release."

In addition, I have read, understand and agree to the Conejo Ski & Sports Club (CSSC) Conduct Policy which states: *"All participants are required to observe common courtesy and generally accepted standards of behavior. CSSC will not tolerate violation of any federal, state, or local laws or ordinances. Illegal use of drug, tobacco or alcohol will cause the participant to be removed from the event. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at events. Participants who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (i.e. lift tickets) and not transfer, resell or barter all or portions of the package. Only CSSC or the issuing agency may compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored activities."*

CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club."

I have read and understand the above statements, and I am signing this document, granting this release and participating in this activity voluntarily. I also agree to abide by the CSSC conduct policy.

Note: "Registration as a seller of travel does not constitute approval by the State of California."

Conejo Ski & Sports Club is a participant in the Travel Consumer Restitution Fund. This transaction is covered by the California Travel Consumer Restitution Fund (TCRF) if the seller of travel was registered and participating in the TCRF at the time of sale and the passenger is located in California at the time of payment. Eligible passengers may file a claim with TCRF if the passenger is owed a refund of more than \$50 for transportation or travel services which the seller of travel failed to forward to a proper provider or such money was not refunded to you when required. The maximum amount which may be paid by the TCRF to any one passenger is the total amount paid on behalf of the passenger to the seller of travel, not to exceed \$15,000. A claim must be submitted to the TCRF within 12 months after the scheduled completion date of the travel. A claim must include sufficient documentation to prove your claim and a \$35 processing fee. Claimants must agree to waive their right to other civil remedies against a registered participating seller of travel for matters arising out of a sale for which you file a TCRF claim. Upon cancellation of the transportation or travel services, where the passenger is not at fault and has not canceled in violation of any terms and conditions previously clearly and conspicuously disclosed and agreed to by the passenger, all sums paid to the seller of travel for services not provided will be promptly paid to the passenger, unless the passenger advises the seller of travel in writing, after cancellation. This provision does not apply where the seller of travel has remitted the payment to another registered wholesale seller of travel or a carrier, without obtaining a refund, and where the wholesaler or provider defaults in providing the agreed-upon transportation or service. In this situation, the seller of travel must provide the passenger with a written statement accompanied by bank records establishing the disbursement of the payment, and if disbursed to a wholesale seller of travel, proof of current registration of that wholesaler.

I have received, read, and understand the required CST disclosures.

Conejo Ski & Sports Club is a participant in the Travel Consumer Restitution Fund. This transaction is covered by the California Travel Consumer Restitution Fund (TCRF) if the seller of travel was registered and participating in the TCRF at the time of sale and the passenger is located in California at the time of payment. Eligible passengers may file a claim with TCRF if the passenger is owed a refund of more than \$50 for transportation or travel services which the seller of travel failed to forward to a proper provider or such money was not refunded to you when required. The maximum amount which may be paid by the TCRF to any one passenger is the total amount paid on behalf of the passenger to the seller of travel, not to exceed \$15,000. A claim must be submitted to the TCRF within 12 months after the scheduled completion date of the travel. A claim must include sufficient documentation to prove your claim and a \$35 processing fee. Claimants must agree to waive their right to other civil remedies against a registered participating seller of travel for matters arising out of a sale for which you file a TCRF claim. You may request a claim form by writing to: Travel Consumer Restitution Corporation; 468 Manzanita Ave., Suite 1, Chico, CA 95926; or by visiting TCRC's website at: www.tcrinfo.org.

California law requires certain sellers of travel to have a trust account or bond. Conejo Ski & Sports Club has a trust account. Conejo Ski & Sports Club is required, and does, deposit all monies received for travel trips into a travel trust account which complies with California law.

Upon cancellation of the transportation or travel services, where the passenger is not at fault and has not canceled in violation of any terms and conditions previously clearly and conspicuously disclosed and agreed to by the passenger, all sums paid to the seller of travel for services not provided will be promptly paid to the passenger, unless the passenger advises the seller of travel in writing, after cancellation. This provision does not apply where the seller of travel has remitted the payment to another registered wholesale seller of travel or a carrier, without obtaining a refund, and where the wholesaler or provider defaults in providing the agreed-upon transportation or service. In this situation, the seller of travel must provide the passenger with a written statement accompanied by bank records establishing the disbursement of the payment, and if disbursed to a wholesale seller of travel, proof of current registration of that wholesaler.

I have received, read, and understand the required CST disclosures.

ISLAND HOPPING IN THE NETHERLANDS

Another Boat/Bike adventure

June 25, 2027-July 7, 2027

THIS TRIP IS FOR PHYSICALLY FIT AND VERY ACTIVE INDIVIDUALS

It is a world with two faces, where sand and water dominate during the changeover from low to high tide and where islands of all sizes line up like pearls on a chain. There are tidal channels, seagrass meadows, mussel beds, sandbanks, mudflats, salt marshes, beaches and dunes. The Frisian Seas is the habitat of marine mammals such as seals and porpoises, and the breeding ground and wintering area for millions of birds. The area is one of the last remaining large-scale, low tide ecosystems where natural processes continue to function. Furthermore, you will visit the famous freshwater lake IJsselmeer and its beautiful coastline with many fishing villages and old trading harbor towns.

Highlights of the trip are the North Sea islands of Texel and Terschelling and their beautiful natural areas, small villages and long sandy beaches that you can explore by bicycle. Everyone will have an e-bike. Highlights on the coasts of the mainland in the provinces of North-Holland and Friesland are a combination of rural areas, small villages and picturesque harbor towns: a true “El Dorado” for cyclists.

Leafde fan Fryslan is an imposing four-masted schooner which made its maiden voyage in the spring of 2018. The interior of this recently restyled ship can best be described as refined. On the lower deck there are 12 well-equipped double cabins, 1 smaller double cabin, 1 junior suite and 2 single person cabins. On the upper deck there are 4 magnificent suites with a hotel-style bed, a double glass sliding door and a small private balcony. Sumptuous meals are served in the restaurant and the ship’s bar is fully stocked. The salon is the place to be after a day on the pedals, or you can be on deck where you can burn some extra calories by helping to hoist the sails.

The Ship is your hotel. In between cycling excursions, you cruise (sail) along with the ship, which travels to a new destination every day. You dine, sleep and eat breakfast on board. You’ll receive a packed lunch every day and you can usually choose between a longer or shorter bike ride. It’s also possible to spend a day on board if you like.

Friday, June 25th. The group flight departs LAX. We will arrive in Amsterdam the following day.

Saturday, June 26. We have a ½ day here, you can choose to go out and about and check things out or get caught up on that much needed sleep and acclimate to the Netherlands time zone. (*AIRPORT HILTON, or equivalent*)

Sunday, June 27. After sleeping in and having our breakfast at the hotel, we will be picked up by our private coach and driven to Enkhuizen where we will board our privately chartered ship the **Leafde fan Fryslan**. After everyone is checked in, the captain will give us an introduction to our sailing hotel and our bike tour leaders will give an overview of the next 7 days. Our ship will then depart and sail to our first destination, Medemblik. After dinner our guides will lead us on a walking tour of this historic town now known for its sailing culture. (Breakfast and Dinner included). *LEFDE FAN FRYSLAN*

Monday, June 28. Medemblik, round tour (17 miles or 24.8 miles). After breakfast and our bike fitting, we will head off on our first guided bike ride, which highlights the picturesque village of Twisk. This former peat mining town is known for its historic buildings, including the 15th-century church of St. Martin. The Village is still in a pristine historic state. After our cycling tour, the ship will sail to Texel, the biggest Dutch island in the North Sea. (Breakfast, Lunch and Dinner included). *LEFDE FAN FRYSLAN*

Tuesday, June 29. Texel, roundtrip from/to Oudeschild (26 miles or 30 miles). The island of Texel is a cyclist's dream destination with its varied scenery, picturesque villages and dedicated cycling paths. Our guides will take us on a tour around the Island. We will make a visit to the seal sanctuary station, Ecomare. While the main mission of the Ecomare is to rescue and cure birds and seals, they also educate visitors on the area and the wildlife. (Breakfast, Lunch and Dinner included). *LEFDE FAN FRYSLAN*

Wednesday, June 30. Texel – Terschelling (sailing about 5-6 hours). Today is a full sailing day. The captain and a sailor will introduce you to the art of sailing while the impressive ship makes its way to the next island. The Wadden Sea is the largest unbroken system of intertidal sand and mud flats in the world, with natural processes undisturbed throughout most of the area. This UNESCO World Heritage property encompasses a multitude of transitional zones between land, the sea and freshwater environment, and is rich in species specially adapted to the demanding environmental conditions. It is considered one of the most important areas for migratory birds in the world and is connected to a network of other key sites for migratory birds. Its importance is not only in the context of the East Atlantic Flyway but also in the critical role it plays in the conservation of African-Eurasian migratory waterbirds. In the Wadden Sea up to 6.1 million birds can be present at the same time, and an average of 10-12 million pass through it each year. As we are sailing, keep a lookout for seals in the wild. They like to rest on the sandbars. While we are sailing we will enjoy an extensive lunch on board. In the afternoon the ship will arrive on Terschelling Island, which features a number of picturesque villages situated between the polder and sand dunes. Tonight, there is no dinner on board. You can explore the island and try one of the nice restaurants on your own. (Breakfast and Lunch included). *LEFDE FAN FRYSLAN*

Thursday, July 1. Terschelling roundtrip (26 miles) and sailing to **Harlingen**. While the previous day was all about sailing, today is all about cycling. Terschelling has four beautiful villages. West Terschelling is the largest village on the island and has a number of nice shops and pubs. The most noted landmark on this island is the 400 year old lighthouse, Brandaris, that can be seen from well off in the distance. Also worth visiting is the heath land of Boschplaat, which will captivate you with its mud, beaches and dunes. After a day of cycling, we can relax in comfort on the ship. In the late afternoon the ship will sail the Wadden Sea to Harlingen, the most important harbor city of the province of Friesland. (Breakfast, Lunch and Dinner included). *LEFDE FAN FRYSLAN*

Friday, July 2. Harlingen – Franeker – Makkum (29 miles or 36 miles). The bike tour today goes via Franeker, where a visit to the UNESCO World Heritage Planetarium of Eise Eisinga is on the program. After the visit to the planetarium, we will cycle through the beautiful wide Frisian countryside along several rural villages to the small harbor of Makkum on the eastern bank of the lake IJsselmeer. Those on the longer cycling trip will visit Bolsward, one of the Eleven Frisian Cities. (Breakfast, Lunch and Dinner included). *LEFDE FAN FRYSLAN*

Saturday, July 3. Makkum – Stavoren (19 miles or 30 miles) & sailing to Enkhuizen. From Makkum we will cycle to Stavoren. The short ride leads you via the old trading town of Hindeloopen. This local art of painting, a type of traditional decorative painting is very famous here. In addition, you will find the First Frisian Museum of Ice Skating in Hindeloopen. The long ride takes you along several Frisian lakes and shows a different type of landscape. From Stavoren, the ship will set sail to cross the IJsselmeer to Enkhuizen in the late afternoon. (Breakfast, Lunch and Dinner included). *LEFDE FAN FRYSLAN*

Sunday, July 4. We depart the ship after breakfast, approximately 9:30. We will be picked up by our chartered coach and taken back to Amsterdam where we will spend our next 3 nights. (Breakfast included). *DOUBLE TREE BY HILTON CENTRAL STATION or equivalent*

Monday, July 5 and Tuesday, July 6. Amsterdam will be free time for everyone to do as they choose. (Breakfast included). *DOUBLE TREE BY HILTON CENTRAL STATION or equivalent*

Wednesday, July 7. We will depart our hotel on our chartered coach to go to the airport to catch our flight home. (Breakfast included)
