President's Corner

Well, summer is over! And fall is now finished as well!

The Grand Canyon trip was a complete success. Everyone who was on the trip has been raving about it.

The end of summer picnic at Lake Casitas was full of fun and celebration.

Ski season is around the corner. The Pray for Snow party will be coming up in November, with the Holiday Gala shortly after that.

The Mammoth trips are filling up fast. Aspen / Snowmass and Whistler are essentially sold out. If you are interested in either of these trips, get on the wait list. People do drop off at the last minute so you could make the trip.

And our newly announced travel trips to Viet Nam and Patagonia also filled to near capacity almost immediately – two more trips soon to be wait-listed.

Happy Halloween and Happy Thanksgiving.

Gary Huettinger, President

WAIVER AND RELEASE OF LIABILITY AND CONDUCT POLICY

Activity: _____

(Read Before Signing)

In consideration of being allowed to participate, in any way, in the Conejo Ski & Sports Club programs, related events, and activities, I, _____ (Participant's Name Printed) the Undersigned, acknowledges, appreciates, and agrees that:

1. The risk of injury from many of the activities is significant, including the potential for permanent paralysis and death, and while particular skills, rules, equipment, and personal discipline may reduce this risk, the risk of serious injury does exist; and,

2. **I KNOWINGLY AND FREELY ASSUME ALL SUCH RISKS, both known and unknown, EVEN IF ARISING FROM THE NEGLIGENCE OF THE RELEASEES** or others and assume full responsibility for my participation; and,

3. I willingly agree to comply with the stated and customary terms and conditions for participation. If, however, I observe any unusual significant hazard during my presence or participation, I will remove myself from participation and bring such to the attention of the nearest official immediately; and,

4. I, for myself and on behalf of my heirs, assigns, personal representatives and next of kin, **HEREBY RELEASE AND HOLD HARMLESS** Conejo Ski & Sports Club, their officers, officials, agents, and/or employees, other participants, sponsoring agencies, sponsors, advertisers, and, if applicable, owners and lessors of premises used to conduct the event ("**RELEASEES**"), **WITH RESPECT TO ANY AND ALL INJURY, DISABILITY, DEATH, LOSS OR DAMAGE TO PERSON OR PROPERTY, WHETHER ARISING FROM THE NEGLIGENCE OF THE RELEASEES OR OTHERWISE**, to the fullest extent permitted by law.

Activity participant agrees that this release will apply to all known and unknown as well as unanticipated claims, **injuries** and damages resulting from club activities, as well as, those now disclosed and all rights under section 1542 of the Civil Code of California are hereby expressly waived. Section 1542 of the Civil Code of California reads as follows:

" A general release does not extend to claims which the (person signing the release) does not know or suspect to exist in his (or her) favor, at the time of execution of the release, which if known by him (or her) must have materially affected his (or her) signing the release."

In addition, I have read, understand and agree to the Conejo Ski & Sports Club (CSSC) **Conduct Policy** which states: *All participants are required to observe common courtesy and generally accepted standards of behavior. CSSC will not tolerate violation of any federal, state, or local laws or ordinances. Illegal use of drug, tobacco or alcohol will cause the participant to be removed from the event. Additionally, CSSC will not reimburse the participant for any forfeited payments. CSSC may also choose, for the benefit of all participants, to prohibit smoking or alcohol at events. Participants who display obnoxious or offensive behavior in violation of this conduct policy, as determined by the CSSC event representative, may be removed and/or isolated from the group. Participants shall adhere to the requirements of the CSSC event packages (i.e. lift tickets) and not transfer, resell or barter all or portions of the package. Only CSSC or the issuing agency **may** compensate the participant for the unused portion or transfer. Failure to comply may result in exclusion from future CSSC sponsored **activities**.*

CSSC maintains a strict policy prohibiting harassment or discrimination of any type. Additionally, if behavior offensive to others (profanity, off-color humor) continues after the offending person is asked by a CSSC representative to refrain from its use, the offending participant may be subject to sanctions up to removal from the activity and/or removal from the club.

I have read and understand the above statements, and I am signing this document, granting this release and participating in this activity voluntarily. I also agree to abide by the CSSC Conduct Policy.

Editor's Message: 29 September 2026

This may be the last newsletter of the year,

This may be the last newsletter of the year, not by choice but by necessity. I hope to publish a December-January combined newsletter by year's end, but I cannot promise at this time. Here's why...

Effective this Thursday, October 1st, Microsoft is retiring its long-established desktop publishing software MS Publisher from its Microsoft 365 suite. A staple since its introduction in 1991, Microsoft will disable all subscription models; they have no replacement platform – they believe MS Word and PowerPoint will suffice for most publishing needs. Unfortunately, neither program suits a multi-page and photo-graphics heavy publication like our newsletter. MS Word is text-based, our newsletter is not. Note: Publisher 2021 can still be purchased as a stand-alone program, but it is not compatible with Office 365 which is also needed.

The Club has produced the newsletter using Publisher since at least 2011, and probably longer. It was well established when I became the editor in 2017. There are other publishing products in the market, but none is an “apples-to-apples” replacement. Publisher files are not directly translatable into any other desktop publishing platform. The likely scenario I face will be recreating every page, one by one – from the masthead graphics to the Directors Page from scratch in new software with an unknown learning curve. It is likely to be a lengthy process.

If anyone has experience with desktop publishing or knows someone that produces newsletters, feel free to email or call and suggest any options. I am in the early stages of researching the alternatives and hope to make a preliminary decision in the next few weeks.

Thank you for your understanding,
Steve Soukup, V.P. Newsletter

It is a world with two faces, where sand and water dominate during the changeover from low to high tide and where islands of all sizes line up like pearls on a chain. There are tidal channels, seagrass meadows, mussel beds, sandbanks, mudflats, salt marshes, beaches and dunes. The Frisian Seas is the habitat of marine mammals such as seals and porpoises, and the breeding ground and wintering area for millions of birds. The area is one of the last remaining large-scale, low tide ecosystems where natural processes continue to function. Furthermore, you will visit the famous freshwater lake IJsselmeer and its beautiful coastline with many fishing villages and old trading harbor towns.

Highlights of the trip are the North Sea islands of Texel and Terschelling and their beautiful natural areas, small villages and long sandy beaches that you can explore by bicycle. Everyone will have an e-bike. Highlights on the coasts of the mainland in the provinces of North-Holland and Friesland are a combination of rural areas, small villages and picturesque harbor towns: a true “El Dorado” for cyclists.

Leafde fan Fryslan is an imposing four-masted schooner which made its maiden voyage in the spring of 2018. The interior of this recently restyled ship can best be described as refined. On the lower deck there are 12 well-equipped double cabins, 1 smaller double cabin, 1 junior suite and 2 single person cabins. On the upper deck there are 4 magnificent suites with a hotel-style bed, a double glass sliding door and a small private balcony. Sumptuous meals are served in the restaurant and the ship's bar is fully stocked. The salon is the place to be after a day on the pedals, or you can be on deck where you can burn some extra calories by helping to hoist the sails.

The Ship is your hotel. In between cycling excursions, you cruise (sail) along with the ship, which travels to a new destination every day. You dine, sleep and eat breakfast on board. You'll receive a packed lunch every day and you can usually choose between a longer or shorter bike ride. It's also possible to spend a day on board if you like.
